**Parent Voice**

Dear Parent/Carer,

At The Boulevard Academy, we are continually striving to improve. During this year's school closure, we felt that the communication between our school and home has positively developed. We would like to continue to build a strong channel of communication with parents and carers by launching a weekly 'Parent Voice' opportunity.

Parent Voice will be a weekly questionnaire sent via MyEd which aims to gather your thoughts and opinions on a variety of topics which directly affect your child's Academy experience. We believe that when parents and schools work in true partnership, students can thrive. It is our hope that by working together, we will be able to support students and influence positive changes for the future of every young person at The Boulevard Academy.

Parent Voice will be sent every Friday, please help us to continue the rapid improvements currently being experienced within the Academy by responding to the questionnaire. We are keen to be honest and transparent, therefore we will regularly publish our findings on a dedicated part of our website to enable you to see the positive impact that your feedback is having on all our students.

If you have not already done so, please download the MyEd app in order to stay up to date with developments. This is our primary method of communication and will enable you to receive live updates. Please also keep an eye on our Facebook and Twitter accounts.

We welcome parental feedback and encourage you to contact our main office to speak with your child's Head of Year if you have any queries or concerns throughout the year.

Our website [www.theboulevardacademy.com](http://www.theboulevardacademy.com) also has a wealth of information available for both students and parents.

We would like to thank you all for your support during these difficult and uncertain times; we are proud to be part of such a supportive community.

Yours faithfully,

Mr Killick  
Head of Key Stage 4  
Parent Voice coordinator
