

Covid19 September 2020 full reopening school lunches procedure

All students will be offered the opportunity to choose lunch options for the following full week and this will be communicated to the office the Friday. Named lunch bags will be collected from the canteen by students in years 7 to 10 and delivered to agreed locations for Y11. Students who bring their own lunch will keep it with them until lunch time, consume their lunch and dispose of their rubbish in accordance with the guidelines for catered lunches.

Lunchtimes:

Year group	Location (*Good weather plan, **if inclement weather to remain in their allocated classroom)	Time of drop off / ***collection from canteen.
7	Main Canteen (first half only) and MUGA (on a Monday PE might request they move to the field)	1pm
8	Main Canteen (second half only) and grass area in front of MUGA and covered area	1:25pm
9	Side Canteen and quadrant outside canteen	1pm
10	Main canteen (for first 35 minutes) and quadrant outside canteen	12:15pm
11	Sports Hall and grass area in front of MUGA and covered area	12:15pm (delivered to corridor outside main hall for y11 students to collect)

*If inclement weather and students may need to remain in their allocated classroom, the supervising adult may play appropriate music through classroom speakers, they may chat and should all have an English Literature book to read if they prefer. All MUST stay in their allocated seats – other than leaving for toilet access, collecting their lunches and to dispose of their rubbish. All students MUST be offered the use of the toilet facilities in this slot.

**Students in years 7 to 10 will collect their lunches before returning to their allocated classroom.

***If collecting lunch from the canteen, students will have an allocated time slot to consume their lunch in the canteen seating area provided.

Students will dispose of their rubbish safely in the bins provided as and when instructed. They are to not to leave their designated area during lunch time to dispose of rubbish, additional bins will be provided so they can remain in their 'zone'. If they are in their classrooms due to inclement weather, they will use the lidded bins provided in their classroom.
