Homework

Dear Parent/Carer,

After half-term, we will be entering phase 2 of implementing our updated Homework policy. We understand that it has been extremely challenging time for all, so this term we have taken a more lenient approach to monitoring homework completion to aid students settling back into school life. We appreciate that home learning presents challenges for parents, particularly regarding the availability of suitable ICT equipment. As an Academy, we have loaned out over 100 laptops from our school stock to enable students to complete online learning.

Homework is more important than ever due to the recent school closures. At The Boulevard Academy we are determined to raise student attainment through a blended learning approach. As such, all homework will be set via Show My Homework as this provides students and their parents/carers with a personalised homework calendar.

The Homework Policy can be found on our website www.theboulevardacademy.com under the policies section. The policy sets out expectations for both students and teachers, as well as detailing when homework will be set, due dates and example tasks.

If homework is not handed in by the deadline, pupils will be required to attend a homework club detention in order to complete the work. The homework club detention will take place the same week as the deadline. Parents will be informed of this by text message or telephone call.

If students have lost their passwords or require password resets, they can complete the Student Virtual Learning Support Form on our website <http://www.theboulevardacademy.com/covid-19learning/home-learning-covid-19/virtual-learning/> or they can request logins from their form tutor.

We appreciate the ongoing support from you and recognise that these are challenging times for our school community. If you have any queries regarding this letter, please contact your child's form tutor in the first instance by telephoning the main office.

Yours faithfully,

Miss N Morris
Deputy Curriculum & Assessment Lead
