

05 March 2021

Dear Parent/Carer,

As the return to school fast approaches for our students, we want to reassure you that the safety of the Boulevard Academy community remains our top priority. We have worked tirelessly with Public Health to ensure that all of our policies and procedures are up to date. We have once again reviewed our risk assessments and have now added two additional outdoor breaks (weather permitting) for all students which will allow them a comfort break from wearing their mask. Students will also be able to spend time outdoors at lunchtime which will minimise the risk when eating without wearing masks.

We are dedicated to supporting all of our students and their families through what has been a tremendously difficult time. We continue to be overwhelmed by the support you have shown and in turn, we want you to know that if there is anything we can support you with, please contact us.

We have a dedicated wellbeing team, pastoral team and phase team who are committed to providing the emotional support to any child in need and we can also signpost students to outside agencies for more specialist intervention if required. Please contact Mrs Bentley with any wellbeing queries or your child's head of year who will be happy to support and advise you. There are also dedicated wellbeing pages for both parents and students on our website www.theboulevardacademy.com.

Finally, once again we would like to thank you for the unwavering commitment you have shown this past half-term. We are so proud to be part of such a wonderful community.

Yours faithfully,

Mrs J Mitchell
CEO/Principal
